Within the pages of this book lies the diary of a girl called Nao. Riding the waves of a tsunami, it is making its way across the ocean. It will change the life of the person who finds it.

It might just change yours, too.

‘Nao is an inspired narrator and her quest to tell her great grandmother’s story, to connect with her past and with the larger world, is both aching and true. Ozeki is one of my favorite novelists and here she is at her absolute best’

I truly love this novel
Alice Sebold
Hardback
'Ruth Ozeki beautifully renders not only the devastation of the collision between man and the natural world, but also the often miraculous results of it. She is a deeply intelligent and humane writer who offers her insights with a grace that beguiles. I truly love this novel.'
Alice Sebold

'A Tale for the Time Being is an extraordinary novel about a courageous young woman, driven by loneliness, by time, and (ultimately) by tsunami. Nao is an inspired narrator and her quest to tell her great grandmother's story, to connect with her past and with the larger world, is both aching and true. Ozeki is one of my favorite novelists and here she is at her absolute best – bewitching, intelligent, hilarious, and heartbreaking.'
